DESCUBRE TU HISTORIA | 2027 SPEAKING SEASON

Genealogy, History & Heritage Programs

Engaging presentations for libraries, colleges, museums and community organizations

GENEALOGY & RESEARCH

- **Mi Gente Estuvo Aquí También: Introduction to Hispanic Genealogy**
  A beginner-friendly guide to starting a family tree, understanding Hispanic naming practices and finding key records.
- **Genealogía Viva: Exploring Puerto Rican & Hispanic Roots**
  Explore Puerto Rican and Hispanic family history through historical context, civil and church records, and research resources.
- **Beyond the Records: Uncovering Hidden Family Stories | NEW**
  Follow real investigations from Puerto Rico and Mexico to learn how record details, relatives and descendants help solve family mysteries.
- **FamilySearch for Spanish Language Records**
  Discover how to locate and use Spanish-language genealogical collections and search tools on FamilySearch.
- **FamilySearch Hands-On Workshop | 2.5 hours**
  An interactive session to create or use a free account, begin a family tree and leave with personalized next steps. Computer access required.

HISTORY, CULTURE & IDENTITY

- **Exploring Hispanic Genealogy & Indigenous and African Caribbean Roots**
  Examine the histories, colonial systems and records that help trace Indigenous and African ancestry in the Caribbean.
- **Hispanic Roots, Global Connections**
  Discover how Indigenous, African, European and other global migrations shaped Hispanic communities and identities.
- **Finding Our Abuelitas**
  Bring the women in family histories into focus through naming traditions, church and civil records, and extended-family clues.
- **Mi Gente Estuvo Aquí También: Hispanic Connections to the American Revolution**
  Explore Hispanic participation in the Revolutionary era and the people and records that reveal these connections.

FLEXIBLE PROGRAMMING & BOOKING

All programs are available in English or Spanish. Spanish is my first language, and I welcome opportunities to tailor programs to the host organization and its audience. Most talks are 60–90 minutes and can be presented virtually or in person; workshop requirements and lengths vary.

2027 dates are available by inquiry, with winter/spring sessions and a fall Hispanic Heritage Month speaking season. Fees vary by format, duration, travel and customization; please request a personalized quote.
